- Easy integration to new fixture construction
- Application: Ceiling Light, Flush Mount Fixtures
- Integral driver-on-board
- Line-voltage dimmable
- Title 24 compliant
- 5 year warranty

Product Compliance & Certifications:

- UL Certified

Description

The Disc Light is a cost-effective, high-performance retrofit option for ceiling lights, drum fixtures, and flush mounted fixtures, without the need of replacing the complete fixture. Its line-voltage dimmable, making it an ideal replacement for dimmable incandescent light or CFL light (bypass ballast).
