

> Features

- Safety : passed over voltage, over-current, over-heat, over-load and short-circuit proof
- Housing color: Snow white
- Instant start, no flickering, no humming sound
- Eco-friendly and no UV/IR
- User-friendly package, convenient for retailing and wholesale

> Advantages

- 5 years warranty
- Super bright SMD LEDs (LM-80)
- Total lamp efficiency: 110Lm/W, Ra: 80
- Dimmable options: 0-10V dimmable
- The highest using ambient temperature: 40 °C (104 °F)
- UL Certificate
- MS Light Guide Plate
- Input voltage 100-277VAC
